Dear Sirs:

Our file of the Numismatiska Meddelanden is incomplete, and we desire to have you supply the missing numbers, if possible. Will you kind send them to the above address, with your bill.

Of Volume XVII, we lack Del. 2, Haft 3 and 4 - unless the plates 1 - 74 comprise these two hafts.

We have Volumes XVIII, XIX and X, but not Volumes XXI and XXII.

Trusting that you can supply these missing numbers,

Very truly yours,

Librarian & Secretary
